

# Before You Arrive

## Important Information Related to the Coronavirus

If you think you may have been exposed to the coronavirus, also known as COVID-19, please alert Womens Healthcare of Norman before coming to our clinic. We ask that people who suspect they may have this disease call the State Health Department Coronavirus Hotline first at **877-215-8336**. Patients identified by the State Health Department as needing testing or treatment for COVID-19 will be directed to a testing location.

### Bring a Mask

For your safety and ours, please bring a facemask. We ask that you always wear your facemask while in the clinic. If you do not have a facemask, we can provide you with one.

## Important Information for Visitors

- Womens Healthcare of Norman will not be allowing any visitors to accompany patients into the clinic.
- If your situation requires a visitor to accompany you, please contact the office prior to your appointment so arrangements can be made.
- If needed your provider is always willing to facetime with your significant other during your visit.
- No children or Newborns will be allowed in the clinic.

If you have any questions, please feel free to contact us at 405-360-1264 option 0.

We continue to update our visitation policy as directed by the CDC.

We appreciate your cooperation during these unusual times.
